

## **PROOF OF SERVICE 2005**

While the majority of Township residents have hired private haulers for their solid waste (trash) and recycling, a fair number of residents have chosen not to hire a hauler and transport their own materials. The Township of Galloway, in compliance with New Jersey State law, has a "Proof of Service Ordinance" in place in order to track not only private solid waste contracts, but also to make sure that all non-contract solid waste is being taken to an approved solid waste facility. It is mandatory for all towns that have private subscriber service to have such an ordinance and to enforce it.

### **PROOF OF SERVICE ORDINANCE 291-12**

**D. "In the case of a responsible solid waste generator within the Township of Galloway who is transporting the solid waste which is generated at his residential premises directly to an approved solid waste generator furnish the Township Office of Recycling /Waste Management proof that this material has been disposed of in said approved facility. This must be done once a year at the time of the final tax payments for that calendar year. \***

*After filling out the short attached questionnaire, please fold and mail it back to this office NO LATER THAN NOVEMBER 30, 2005. Or, if you prefer, you can email a reply to me at [bfiedler@gallowaytwp-nj.gov](mailto:bfiedler@gallowaytwp-nj.gov) ... making sure that you answer all questions.*
